These **additional benefits** are dependent on availability and are provided at the discretion of Discovery Assistance, see **TERMS AND CONDITIONS**.

Replacement Vehicle

A replacement vehicle will be available for up to a maximum of two working days in the UK or ten working days if the **immobilisation** occurs in **Europe** while **your vehicle** is being repaired.

Please note - The replacement vehicle is not guaranteed to be a "like for like".

Discovery Assistance will pay for taxi costs up to a combined total of £60 for collection and delivery of the replacement vehicle.

Public Transport

If appropriate, instead of a replacement vehicle, we will wherever possible organise and pay for you and your passengers to continue your journey by second-class train or scheduled economy air travel.

Hotel Accommodation

If the **immobilisation** occurs more than 50 miles from your home address and overnight accommodation is a more practical option, we will pay for the cost of hotel accommodation for you and your passengers for one night in the UK or seven nights if the **immobilisation** occurs in **Europe**.

- The registration number and vehicle identification number (VIN) of your Discovery.
- A brief description of the incident.
- A contact telephone number.

Telephone Numbers

Listed below are two telephone numbers, one for if you require assistance in the UK and one for if you require assistance in **Europe**. It is important you call the appropriate number should you require assistance.

TERMS AND CONDITIONS

Additional Benefits

If **your vehicle** is **immobilised** as a result of an incident due to a **non-vehicle fault**, **additional benefits** will not be provided. Where **additional benefits** do apply, these are subject to the terms and conditions of Discovery Assistance.

Adverse Weather Conditions

Please be aware that adverse weather conditions such as high winds, snow or floods can make some Discovery Assistance operations physically impossible until the weather improves. Our immediate priority will be to ensure you and your passengers are taken to a place of safety and it may be necessary to attend to **your vehicle** later.

Caravan/Trailer

If **your vehicle** is **immobilised**, we will tow your caravan or trailer to a destination near to the appropriate Land Rover Authorised Repairer. Discovery Assistance will not, however, be held responsible for any goods or animals being transported (other than domestic pets).

European Motorway/ Autoroute Restrictions

On certain major roads in some European countries, you must use the official SOS boxes at the side of the road to be connected to the authorised assistance service and arrange for initial recovery. These roads are privatised and we may be prevented from assisting on them. You should contact Discovery Assistance at the earliest opportunity so we can arrange for the most appropriate assistance once **your vehicle** has been recovered to a place of safety. Costs incurred for initial recovery should be claimed back from Discovery Assistance.

Glass Breakage

We can on your behalf contact a Land Rover Authorised Repairer or approved Discovery glass supplier, who will usually be able to supply and fit replacement glass. You will be liable for the cost of replacement parts and fitting charges.

Hotel Accommodation

The maximum amount payable by Discovery Assistance for hotel accommodation will not exceed £100 per person per night or £150 per person per night in capital cities.

Incorrect Fuel

Limited Assistance

The benefits of Discovery Assistance are not limited to mechanical breakdown, we aim to assist in the event of any motoring emergency. Please note however that if **your vehicle** is **immobilised** as a result of an incident due to a **non-vehicle fault**, then **additional benefits** will not be provided.

Lost Keys and Keys Locked in Vehicle

At our discretion, we will endeavour to provide assistance by the most practical method. However, should we be unable to gain entry to **your vehicle**, modern security systems may necessitate a forced entry. If this is the case, you will be asked to sign a declaration stating you have given permission for this, and that any costs for resultant damage will be your responsibility. These costs may be covered by your motor insurance policy.

Punctured Tyres

Punctures to tyres do not merit car hire or vehicle re-delivery assistance. However, if **your vehicle** should suffer multiple punctures in one event, or **your vehicle** is not equipped with a spare wheel as standard and a tyre in use suffers dangerous tyre wall damage, extra assistance may be required. If repairs cannot be made within a reasonable period of time, the Assistance Centre will at its discretion, the appropriate level of extra assistance.

Reclaiming Expenses

If you have been authorised by Discovery Assistance to pay for a covered benefit and wish to recover the costs, please retain original receipts and contact Discovery Assistance for details of the reclaim procedure.

Release Fees

Should **your vehicle** be stolen or involved in a **road traffic accident** and subsequently recovered by the police, you will be liable for any release fee payable before we can remove **your vehicle**. These costs may be refundable under the terms of your motor insurance policy.

Repatriation from Outside your Own Country

You will be asked to provide Discovery Assistance with a signed inventory of all items left in **your vehicle** prior to repatriation. Neither Discovery Assistance nor its agents accept any liability for the subsequent loss of, or damage to, any items not declared on this inventory.

Replacement Vehicles

A replacement vehicle will be sourced through one of the major vehicle rental companies. You may be required to enter into a contract of hire with the rental company and you must be able to comply with their conditions of hire. You will be responsible for any additional costs including, but not limited to, fuel, congestion charges, parking fines, and speeding fines, and toll charges. Insurance requirements stipulate you must be between 25 and 65 years of age. If you are under 25 or over 65 we will endeavour to make alternative arrangements, but these cannot be guaranteed. Certain endorsements on your driving licence may prejudice your eligibility to hire a vehicle. A valid driving licence and a credit card deposit to cover any additional costs will be required. Please note that we cannot guarantee availability of vehicles with accessories such as roof racks and tow bars.

Validity Outside your Own Country

Discovery Assistance is available within **Europe** for up to 60 days during the period of cover. It is recommended that adequate travel insurance should be taken out in such circumstances.

Vehicle Redelivery

The maximum amount payable by Discovery Assistance for vehicle redelivery will not exceed the cost of travel.
